

LAP-A-THON

Fundraising Instructions

Last Year we Raised \$76,000. This year our goal is \$80,000.

- 1) This school year we have a \$450 per student funding gap to fill through our fundraising! Lap-a-Thon is our biggest fundraiser of the year. Last year's donations paid for: new printers for all classrooms, field trips, assemblies, classroom and office supplies, staff development and appreciation, student clubs and events, our amazing garden, and so much more!
- 2) You can donate directly to our Lap-a-Thon efforts by making a donation to your student's online fundraising page or by dropping a check made out to Manor PTA at the front office. We are extremely grateful to all the parents who financially support our school, and we also completely understand that not everyone can.
- 3) You can collect donations from family, friends, and neighbors by texting/emailing them your personalized online fundraising page and/or sending your child out in the neighborhood with a paper donation form. Bake sales, lemonade stands, and other creative projects are great ways to raise funds, too.
 - a) All parents will receive an email with a link to their child's donation page on Sunday, September 29th. This email includes simple instructions for logging in and uploading a photo of your student if you'd like to personalize your page. Send your link out to family and friends to collect donations!
 - b) To collect cash and checks, a donation form is attached here. We encourage students to go out and talk to their neighbors! Many students love going door-to-door, and many neighbors love supporting their local school.
 - c) Each student's goal is set at **\$450**. If we hit our \$80,000 school goal, a generous family will contribute an additional \$10,000 donation to Manor! Wow!!
- 4) All donations must be collected online or turned into the office no later than **Friday, October 25th**.
- 5) Keep a lookout for the fun student raffles we'll have going all through October to put the FUN in FUNdraising! Lots of awesome gift cards donated by local businesses for prizes.
- 6) Don't forget to thank your donors!
